PHOTOGRAPHY & PRODUCTION EXPERIENCE

Event Photographer - BNDS Grassland Music Festival

2023

Beijing National Day School (BNDS) - Beijing, China

- Photographed live performances and festival activities, capturing performers, audience interactions, and the atmosphere of a large school music event.
- Worked in a fast-paced live setting that required quick framing, timing, and adaptation to changing subjects and stage conditions.

Lighting & Sound Technician - School Drama and Talent Shows

Beijing, China

- Managed rehearsals, microphone setup and audio adjustments, and designed and operated stage-lighting effects for Chinese/English drama festivals and campus talent shows.

DIGITAL PORTFOLIO & PROJECTS

Personal Photography Portfolio Website

- Built and deployed a responsive photography portfolio using React and Vite, with routed pages, motion effects, photo galleries, category filtering, and detail views.
- Curated photography for digital presentation and designed the site to support visual browsing across desktop and mobile devices.

Computer Vision & Edge AI

- Developed a CNN-BiLSTM Chinese sign-language recognition model with 90% test accuracy and completed data cleaning, model tuning, evaluation, research writing, and final defense.
- Built a YOLOv8 person-detection pipeline for Raspberry Pi 5 with real-time camera inference and system-performance monitoring.

LEADERSHIP & EVENT COORDINATION

Chair of Activity Department - Student Union

Beijing, China

- Led a four-member core team to plan schoolwide sports-season events, coordinate venue schedules and logistics, draft proposals, and gather student feedback.
